FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Economic Development - Division of Professional Registration** state that this proposed legislation will have no fiscal impact on their agency.

Officials from the **Secretary of State's Office (SOS)** assumed the rules, regulations and forms issued by the State Board of Registration for the Healing Arts and the Board of Nursing could require as many as 22 pages in the *Code of State Regulations*. For any given rule, roughly half again as many pages are published in the *Missouri Register* as in the Code because cost statements, fiscal notes and the like are not repeated in the Code. These costs are estimated. The estimated cost of a page in the *Missouri Register* is \$23. The estimated cost of a page in the *Code of State Regulations* is \$27. The actual costs could be more or less the SOS's estimated cost of \$1,353 for FY 2003. The impact of this legislation in future years is unknown and depends upon the frequency and length of rules, filed, amended, rescinded or withdrawn.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposed legislation allows all records of disciplinary action taken against a physician prior to August 28, 1993, imposed as a result of a collaborative practice agreement with a registered nurse or physician assistant, to be expunged upon written request by the physician to the State Board of Registration for the Healing Arts.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
